

18892 KATKÓ, Gáspár. A budzsaki tatárok a lengyel-oszmán határvidéken. *Keletkutatás*, 2015 tavasz (2015) pp. 63-80. 16th-17th cc. "The Porte had to take responsibility for all their actions, which caused many problems not only between the Ottoman Empire and the Polish-Lithuanian Commonwealth, but also within the empire. Due to these troubles, the idea of their repatriation to the Crimean Khanate was raised in the Sultan's Council, but this plan was never realised." Translated title: The Budjak Tatars on the Polish-Ottoman borderlands Abstract(s): English.
