12812 DAGYELI, Jeanine Elif. The fight against heaven-sent insects: dealing with locust plagues in the Emirate of Bukhara. *Environment and History*, 26 i (2020) pp. 79-104. "The fight against locusts reached a political dimension around 1900 when the Russian colonial administration tried to pressurise the Bukharans into using modern insecticides and blamed their superstition for the resistance they met."
