Stanford (CA): Stanford University Press, 2021. 331 pp. "Following the Russo-Ottoman war of 1877-1878, a movement for cultural reform and political mobilization gained momentum within Bulgaria's sizable Muslim population. From 1878 until the 1908 Young Turk revolution, this reform movement emerged as part of a struggle to redefine Muslim collective identity while engaging with broader intellectual and political trends of the time."
