4176 ISSA, Rana. The Arabic language and Syro-Lebanese national identity searching in Buṭrus al-Bustānī's Muḥīṭ al-muḥīṭ. *Journal of Semitic Studies*, 62 ii (2017) pp. 465-484. "Over centuries, Arabic lexicography had operated under a solid myth of pure linguistic origins rooted in the *terra prima* of the Arabian Desert. Buṭrus al-Bustānī's *Muḥīṭ al-Muḥīṭ* is the earliest Arabic lexicon that breaks with this tradition."
