6627. BORBONE, Pier Giorgio. Wooden stirrups and Christian khans: Bar 'Ebroyo's use of Juwaynî's "History of the World Conqueror" as a source for his "Chronography". *Hugoye: Journal of Syriac Studies*, 19 ii (2016) pp. 333-369. "One of the sources used by Bar 'Ebroyo in his Chronography was a 'marvellous work' he consulted in the library of Maragha, in Azerbaijan ... This book may be identified without any doubt as the History of the World Conqueror (Ta'riḫ-i jahān gušā), written in Persian by 'Alā al-Dīn 'Aṭā Malik Juwaynī between 1252/1253 and 1260."
