

OZGUR ALHASSEN, Leyla. Behçet Kemal Çağlar's *Kur'an-ı Kerim'den İlhamlar (Inspirations from the Holy Qur'an)*: a Kemalist's personal, poetic response to the Qur'an. *Muslim World*, 107 iii (2017) pp. 511-536. *Kur'an-ı Kerim'den İlhamlar ...* "can be described as a poetic reflection on the Qur'an. It does not adhere to rendering every line or verse, but instead insists on maintaining a rhythmic cadence and end-rhyme. Although it resembles a translation in some ways, Çağlar refuses to call his work a translation."
