

- 10304 REXHEPI, Abdulla. Persian epistemes in Naim Frashëri's Albanian poetry. *Persian literature as world literature*. Ed. Mostafa Abedinifard, Omid Azadibougar, and Amirhossein Vafa. New York: Bloomsbury, 2021, pp. 105-122. Focusing on Frashëri, "who conceived a Balkan national imaginary through the medium of Persian literature, Rexhepi notes that in the Albanian-populated regions of the Ottoman Empire, an intellectual elite began to appropriate, and write, literature in the Persian language".
