CALLATAÿ, Godefroid de. *Rutba vs Gāya: a reconsideration of the impact of the Rasā'il Iḥwān al-Şafā' on Maslama b. Qāsim al-Qurṭubī. Arabica*, 68 v-vi (2021) pp. 495-509. "... the way Maslama b. Qāsim al-Qurṭubī refers to the Iḥwānian corpus in the *Rutba* reveals a far less familiarity with that work than at the time he writes the *Gāya*. This difference of treatment suggests that, contrary to what was previously assumed, Maslama had no access to the text of the *Rasā'il* before he started writing his ultimate treatise."
