

WANI, Gowhar Quadir. Islamic perspectives on human nature: Ibn 'Ashūr's *fiṭrah*-based theory of *maqāsid al-sharī'ah*. *Islam and Civilisational Renewal*, 8 ii (2017) pp. 230-243. "The famous Zaytūna Imām, Tāhīr Ibn 'Ashūr (d.1973), in his book on the objectives of Islamic Law, *Maqāsid al-Sharī'ah al-Islāmiyyah*, provides a *fiṭrah*-based model for building human civilisation, thereby linking Islamic law to psychology."
