

MAHÉ, Alain. *Les moments kabyles de l'anthropologie politique: République, droit et citoyenneté au village, XIX^e-XXI^e siècle*. Saint-Denis: Bouchène, 2021. 359 pp.

RASMUSSEN, Susan. Dreaming, temporality in diasporic space, and religious reflections among Kabyle immigrant converts in France. *Entangled Religions*, 13 i (2022) Online article without page-numbering. "Explores diasporic experiences and reflections on religious conversion through analyzing visitational, predictive/generative, and inspirational dreams recalled and related by Kabyle immigrant converts in France, which prompted their earlier conversion from Islam in their home region of Kabylie in Algeria, North Africa, prior to their migration to France."

KEMMET, Brendan & SELLAMI, Stéphane. *Maghreb connection*. Paris: Laffont, 2021. 391 pp. Also on front page: "La saga secrète du grand banditisme français". "Une histoire méconnue de la grande délinquance en France ... Originaires des faubourgs de Tunis, d'Oran ou de Kabylie, ou bien fils d'immigrés venus chasser leur misère en France, ils ont laissé une empreinte profonde sur le 'milieu' français."
