962 EGGEN, Nora S. A book burner or not? History and myth: revisiting al-Qāḍī 'Iyād and the controversies over al-Ghazālī in the Islamic West. *Journal of Arabic and Islamic Studies*, 18 (2018) pp. 87-109. "Although 'Iyād's own writings clearly position him within the Mālikī scholarly tradition and although historical evidence clearly suggests that he sided with the Almoravids in the Almoravid-Almohad conflict of the early twelfth century, the image of a fierce fanatic and a book burner seems to stem from a later date."
