

1384 RUBINSTEIN-SHEMER, Nesya. "Observe the prayers and the middle prayer": Jewish and Christian origins of Q. 2:238. *Zeitschrift der Deutschen Morgenländischen Gesellschaft*, 168 ii (2018) pp. 353-372. "It is my opinion that Q. 2:238 is a metamorphosis of the Talmudic expression, 'One must always be careful of the Minha prayer'. In Muslim literature itself, one can find reference to the idea that the extra holiness of the *ṣalāt al-'aṣr* [sic] in Islam was influenced by early Jewish and Christian texts."
