

Euclid
15013

3321 ELIOR, Ofer. The Arabic tradition of Euclid's *Elements* preserved in the Latin translation by Adelard of Bath and the Hebrew translation by Rabbi Jacob. *Historia Mathematica*, 42 ii (2015) pp. 132-154. "[Tony] Lévy ... conjectured that the translator was Rabbi Jacob Anatoli, a Jewish philosopher and translator active in Provence and in Naples between the late 1220s and the 1250s."
