

The Royal Asiatic Society was founded in 1823 'for the investigation of subjects connected with, and for the encouragement of science, literature and the arts in relation to Asia'. Informed by these goals, the policy of the Society's Editorial Board is to make available in appropriate formats the results of original research in the humanities and social sciences having to do with Asia, defined in the broadest geographical and cultural sense and up to the present day.

The Monograph Board

Professor Francis Robinson, CBE, Royal Holloway, University of London (Chair)
