

- 868 HARTUNG, Jan-Peter. A subtle difference: on ending one's own life in Muslim religious thought. *Journal of the Royal Asiatic Society*, 28 i (2018) pp. 1-22. "While the general tenor suggest that such an action constitutes deliberate suicide (*qatl nafsah*) and is to be firmly rejected, the eschatological concept of 'martyrdom' (*istishhād*) adds an alternative interpretation that allows for a positive and even commendable appraisal of such an act."
