

1431 DADIKHUDA, Davlat. "Not so ridiculous":  
Avicenna on the existence of nature (*tabī'a*) contra  
Aristotle and the Ash'arites. *Oxford Studies in  
Medieval Philosophy*, 7 (2019) pp. 1-43. Discusses  
a distinctive argument that Avicenna offers for the  
existence of nature (*tabī'ah*) as a causal power  
(*quwwah*) in bodies (*ajsām*).
