

1465 SHEIKH, Faraz. Being an intelligent slave of God: discursive strategies and subject formation in early Muslim thought. *Journal of Religious Ethics*, 47 i (2019) pp. 125-152. Focusing on the writings of al-Muhāsibī (d. 857), "this study illustrates the advantages of approaching early Muslim texts and discourses through the tools and methods made available by comparative religious ethics".
