The meaning of sabab as the reason for the victoriousness of Dhul-Qarnayn. *Journal of Contemporary Islamic Studies*, 2 ii (2020) pp. 359-373. "The unique management of Dhul-Qarnayn in his crossing over the globe, opposition to oppression, promotion of justice, technological skill in the construction of a dam, domination over enemies, the creation of an enduring security for the citizens, and finally, the processing of a monotheistic cultural system are the goals that are mentioned in the Qur'ān 18:84-98. All these goals are fulfilled outstandingly due to Dhul-Qarnayn's adherence to a reality called 'sabab'."
